

# Product Bulletin

PBLADE01.0

PowerBLADE

## Features

**Modular battery system**

**Customisable design**

**Multi-use auxiliary power supply**

**Multiple connection for increased Voltage-Power-Energy**

**Re-configurable power source**

**Hot swappable**

**Integrated BMS and power control**

## Specification

DC Voltage

100 Volts (nom)

Maximum power

12 kW

Energy

1800 Wh

Weight

13.1 kg
